---

Dear friends and family of Trinity:

In this time of the Covid-19 Pandemic, with strong recommendation from Bishop Bill Tesch and abiding by CDC guidelines, we are suspending all activities at Trinity until further notice. This includes all worship services, all children, youth, and adult activities, and all groups that meet at Trinity. We will continue to evaluate and share updates.

We continue to seek guidance from such entities as the CDC, Northwestern Minnesota Synod, and other leaders within our community and state.

As a staff, we continue to live into this time realizing there are needs in our congregation and community. Your staff is available. Please contact us. At this time, the church office remains open.

Stayed tuned to our website at [trinitylutherandl.org](http://trinitylutherandl.org) for the most recent updates, including worship opportunities. We are working hard to provide spiritual and relational connections while practicing physical distancing.

Together we pray “God, guide us as we consider how best to prepare and respond in our families, congregations, workplaces and communities. Give us courage to face these days not with fear but with compassion, concern, and acts of service, trusting that you abide with us always; through Jesus Christ our Lord.”

God’s got us peeps! We’ll get through this together, recognizing the blessings on the journey!

-Your Trinity Staff
